

Coastal Mechanical

Listing URL: <https://clarenville.ca/clarenville-map/automotive-service/coastal-mechanical>

Coastal Mechanical & Machining is a Newfoundland Owned & Operated company. We are located in the Clarenville industry park area at the end of Myers Avenue. With a series of buildings on an oversized lot, we are fully accessible by heavy equipment, semi trucks, motorhomes and more. We are a full service heavy equipment and automotive repair shop, as well as providing additional services of welding, fabrication and machining.

We also stock a variety of utility trailer parts in our showroom, as well a wide range of steel in mild, aluminum, stainless and galvanized. We also offer tire sales and propane refill services for all sizes of tanks - including RV's.
