The Court consists of 22 judges, including the Chief Judge, the Associate Chief Judge, the Senior Coordinating Judge, and over 75 administrative and support staff. There are 10 permanent court centres and 15 sites which the Court visits on circuit.

The Court sits every day of the week. With the assistance of modern technology, remote appearances of accused and witnesses via video or teleconferencing is becoming more of a regular occurrence. There is always a duty judge on call 24 hours, 7 days a week, with backup judges available, if needed.
