Dear Tourism Industry Partner,

Subject: Unlock New Opportunities with Clarenville Coasts!

The Clarenville Coasts Tourism Association is a newly established industry-driven organization focused on promoting a unique and diverse tourism destination that spans from Port Blandford to Sunnyside, and includes Swift Current, Lethbridge, and the picturesque Southwest Arm. As part of this exciting initiative, we are inviting local tourism businesses to register and showcase their services and amenities on our dedicated website. By doing so, you'll be part of a collective effort to highlight the incredible experiences the Clarenville Coasts region has to offer and attract visitors from near and far.

Together, let's showcase our unique mix of culture, history, natural beauty, festivals and attractions, making it the ultimate destination for travelers to discover you!

Why Should You Be Featured?

Take advantage of this FREE tourism platform, available to all tourism businesses and tourism-related organizations within the Clarenville Coasts region. Connect with travellers and let them discover what makes your operation a must-see destination!

- **Targeted Exposure:** The website is designed to attract both local travelers and those planning visits from outside the province, putting your business on the map.
- **Attractive Listings:** Your tourism business or tourism-related organization, including any event, or attraction, will be professionally showcased, with dedicated pages for accommodations, activities, dining, and more.
